Anca Toma

Profile

- Currently enrolled in a Digital Skills Bootcamp at JustIT Training. Aiming to improve my skills further and grasp a better understanding of software languages (HTML, CSS, JavaScript and Python). Working on my portfolio to create some personal projects.
- Would like to work as a Junior Developer to gain more skills and experience. I thrive working in a challenging environment to push my skills and limit.

Employment History

Shift Supervisor at Miller and Carter , London

06/2022–Present

- Handled complaints calmly and professionally, providing swift resolutions to maintain positive customer experiences.
- Used extensive hospitality experience to provide dependable support across various departments.
- Ensured faultless customer experiences, leading by example in delivering first-class care from arrival to departure.
- Nurtured driven and determined teams, building an environment of commercial achievement and success.
- Recruited high-achieving team members, aiding continual success against commercial targets

Primary Assistant Teacher at Roca School , Barcelona

05/2020–05/2022

- Assisted and mentored students in groups of up to 25 by reviewing lesson teaching.
- Kept students safe inside and outside classrooms by proactively monitoring behaviours and tracking student movements, safety hazards and visitors.
- Collaborated with teachers to devise and execute challenging, stimulating lessons aligning with the school's philosophy and mission.
- Modelled and taught basic and advanced social skills, conflict management techniques and study approaches to students.
